the societies participating in this eco-friendly initiative get a **special e-certificate** from us!

do your bit towards making the planet greener; **feel free to contact us** in case of any queries

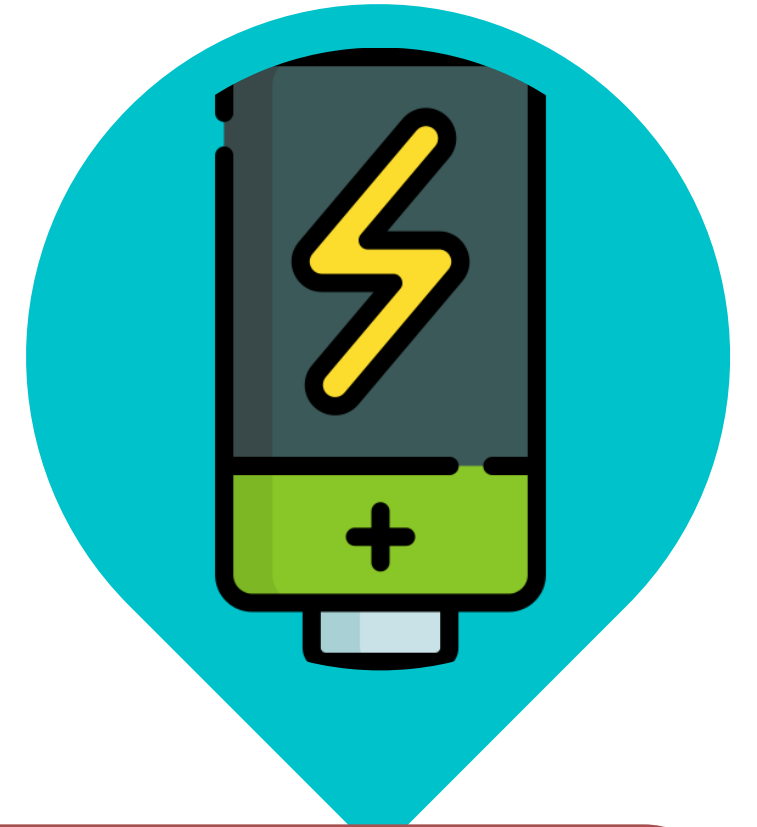

e-waste: what all can you give?

e-waste is electronic products that are unwanted, not working or at the end of their useful life; these are the electronic products that can be discarded

phone, tablet, laptop, desktop, camera, keyboard, mouse, earphones, remote

all kinds of cells, batteries, wires, cables, electrical switches, LED bulbs, tubelights

large appliances such as television, washing machine, fridge, AC, microwave, printer, mixer, dryer

storage devices such as pen drive, hard drive, CDs and accessories like power bank, charger

this is a non-exhaustive list of all the electronic products that can be provided as e-waste in our collection drive; in case of any questions, feel free to connect
